I am a Frontend Developer with a background in UI/UX design and web accessibility. My passion is creating beautiful interfaces that are both accessible and have exceptional user experience.

SKILLS

Javascript, TypeScript, React, Angular, HTML, CSS, SVG Animation, SCSS (SASS), BEM, AJAX, REST, Emotion, Semantic HTML, Web Accessibility, UI/UX Design, Wireframing, Prototyping, High Fidelity Designs, Mobile-First Development, Git, Bootstrap, Materialize, Figma, Adobe Photoshop, Adobe Illustrator, Adobe InDesign, Adobe XD, Project Management (led backlog refinement, documented requirements), Communication, Writing

EXPERIENCE

Frontend Developer
Horizon3.ai - Durham, NC | March 2022 - Present
- Develops features and components in React using TypeScript, CSS3, HTML5, and GraphQL queries
- Uses knowledge of CSS and web accessibility to problem solve collaboratively with other developers
- Coordinates the Frontend team's work across engineering and design teams
- Leads Frontend team backlog refinement sessions, writes tasks and acceptance criteria, and prioritizes work to align to business goals
- Reviews merge requests, with special attention to UX functionality
- Updates Figma designs in collaboration with senior UI/UX designer

UI/UX Designer and Developer
Horizon3.ai - Durham, NC | Feb 2021 - March 2022
- Worked with stakeholders to gather feature requirements and presented designs for stakeholder feedback
- Created wireframes, prototypes, and high fidelity mockups based on feature requirements in Figma
- Created component libraries in Figma and Adobe XD
- Developed flow chart visualization using the data visualization library Cytoscape.js

Frontend Developer
Fidelity Investments - Durham, NC | Feb 2020 - Feb 2021
- Developed pixel perfect UIs for hand-off to development teams
- Ensured web accessibility guidelines were met by conducting manual keyboard and screen-reader tests (JAWS, NVDA, VoiceOver)
- Collaborated with other UX developers to create an Angular project scaffold; designed and coded the scaffold's landing page

Graphic Designer
Shirtworks Screen Printers - Athens, GA | Jan 2017 - May 2019
- Created company website (shirtworksathens.com); wrote, photographed and designed content
